Air transportation, within a comparative short space of time, has been developed to such an extent that it has become of great importance and value to this nation and state and its continuance and enlargement should be encouraged. Today South Dakota has an air mail division point and eight cities are being serviced by air mail lines. No principal city of our country is more than twenty-four hours distant by air from any other.

NOW, THEREFORE, I, Leslie Jensen, Governor of the State of South Dakota, do hereby proclaim the week of July 4 to 11, 1937, as AIR MAIL WEEK IN SOUTH DAKOTA, for the purpose of stimulating air mail service and thus helping South Dakota to maintain the high position it has attained since the inauguration of air mail. I, therefore, call upon the people of this state to cooperate in this movement during the week designated.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of South Dakota to be affixed.

DONE AT THE CAPITOL, in the City of Pierre, this 5th day of June, 1937.

Leslie Jensen
Governor
